Continue **by train and bus**: Please note that it could be troublesome to reach Admont by train and bus from your destination airport due to repeated change of transport means. If you consider to choose public means of transport you can try to find your way on [ÖBB](http://oebb.at) (Austrian railway's website). The final train station (Admont's train station is very small) should be **Selzthal**.

Here is an example coming from Vienna airport on Sunday, July 17th, 2016:

The screenshot shows the ÖBB SCOTTY route planner interface. The search criteria are: From: Flughafen Wien, To: Selzthal Bahnhof, Date: Su, 17.07.2016, Time: 11:00 (Departure). The overview shows a selection of outward journeys. The first connection is a railjet REX from Flughafen Wien to Selzthal, departing at 11:03 and arriving at 14:39, with a duration of 3:36 and one change. The route details show a train from Flughafen Wien to Wien Hbf (departing 12:03, arriving 12:21), then a railjet RJ 537 from Wien Hbf to Leoben Hbf (departing 12:25, arriving 14:25), and finally an IC 518 from Leoben Hbf to Selzthal (departing 14:31, arriving 15:11). Comments for the railjet services mention reservation options and facilities like mobile on-board service, board restaurant, wheelchair access, and bicycle conveyance.

From Bahnhof Selzthal you have to continue with **bus no. U910** to Admont or you can call a taxi 30 minutes before you arrive in Selzthal to pick you up (Taxi Fluch: 0043 664 3331711, Taxi Wagner: 0043 664 2328704. Duration: appr. 30 minutes, fee: appr. € 45 incl. VAT).

Alternatively you are free to contact a participant-colleague from your country/region to car-pool and share the fee of the car rental or the taxi-shuttle. You will find all contact-addresses on www.isbm.at/memberarea, list of participants.
